Re: New Drop-In Care Rates effective July 8, 2019
Date: July 8, 2019

This communication will supersede the previous rates announced on June 25, 2019, which were to take effect on July 1, 2019.

Dear Members, Friends and Guests of The Miller Center,

We would like to thank those who participated in recent discussions regarding our rates for the Drop-In Care room. We are very grateful for your time, concern and input, and hope that all of our members and guests find the new rate options convenient and affordable.

Please take a moment to familiarize yourself with the following regarding our Drop-In Care room service:

New discounts for multiple children from the same household

\$4 for the first child
\$3 for second
\$2 for third
\$2 for fourth

The maximum stay is now two hours

The new maximum allowable time for Drop-In Care goes from 90 minutes to two hours per child, per day. This will allow extra time for those who take a one-hour class and need time to set up before class and/or shower afterward.

A new rate option of a flat, monthly fee

This is a new rate for those who use Drop-In Care often; especially parents of multiple kids. This new rate structure will allow a convenient and affordable option.

1 child - \$35/month
2 children - \$55/month
3 children - \$70/month
4 children - \$85/month

Again, these new rates go into effect on Monday, July 8, 2019.

Please accept our kindest gratitude for the patience and understanding shown during this transition.

Drew Kelly, Director of Communications, The Miller Center
