

# THE LEWISBURG YMCA AT THE MILLER CENTER

## GROUP EXERCISE CLASS DESCRIPTIONS

**Beginner Ballet:** This classical ballet technique class takes the participant through a progression of barre combinations and some center work away from the barre. This class does not require prior experience.

**Boot Camp:** Designed to build strength and fitness through intense group intervals. Every class varies in exercises that can include bodyweight, upper body, lower body, cardio, core and more. Push out of your comfort zone.

**bootybarre®:** A fun, energetic, workout that fuses techniques from Dance, Pilates, and Yoga that will tone, define and chisel the whole body - the perfect combination of strength and flexibility with an added cardiovascular element utilizing the barre.

**Chair Yoga:** Participants use a chair as a prop during a variety of seated and standing postures, gaining many benefits of yoga WITHOUT getting up or down to the floor. Class ends with deep relaxation, breathing practice and silence.

**Chiseled Strength & Cardio:** Chiseled Strength focuses on muscle tone and strength using a variety of equipment. Chiseled Cardio uses functional movements to train muscles to work together; emphasizing core stability and increasing heart rate.

**Classical Yoga:** This well-rounded class includes sprinkles of yoga philosophy for reflection, postures, deep relaxation, breathing, and meditation. Postures in this class are sometimes held for several breaths with attention to detail.

**Cycling:** An indoor cycling class that utilizes bikes designed to simulate road bikes. Pedal through hill climbs, sprints, and many other challenging drills and exercises. If it's your first class, come early so the instructor can help set up your bike.

**Forever Fit:** A moderately intense class incorporating strength, endurance, balance and flexibility without high impact. Weights, bands and mats will be used in functional training moves that are fun and feel good on the body.

**Hip N' Fit:** Combining today's hit songs with a fun blend of current dance moves and aerobic flair.

**Integral Yoga:** When practiced over time, your body will become more comfortable, useful and relaxed while increasing strength, flexibility and balance. All levels welcome.

**Legs and Abs:** Focus on lower body and core exercises.

**Pilates:** A system of physical and mental exercises that incorporate the key principles of breath, concentration, control, center, flow, and precision. Pilates increases physical and mental strength, coordination, and flexibility.

**PiYo® LIVE:** Your body is the only equipment you need! This program uses a dynamic sequence of moves in a nonstop flow that build strength, flexibility, and long, lean muscles while torching calories.

**POUND®:** A full-body workout that combines cardio, conditioning, and strength training with yoga and pilates-inspired movements using lightly weighted drumsticks engineered specifically for exercising

**Pure Strength:** Strength training utilizing different lifting techniques, rep/weight ranges, and equipment. Class may consist of pyramid schemes with rep/weight changes with a few strength moves alternating, or a traditional style weight lifting class.

**Restorative Yoga:** The selected poses are practiced on the floor with enough props to support the body and allow muscles to relax. Each position is held for 5-10 minutes without muscular contraction, as the goal is to rest passively in a mild stretch.

**Step:** A full body cardio workout using a stationary step and risers.

**STRONG®:** STRONG® combines body weight, muscle conditioning, cardio and plyometric training moves synced music that has been specifically designed to match every single move. Plyometric or explosive moves like high knees, burpees, and jumping jacks are interchanged with isometric moves like lunges, squats, and kickboxing.

**Vinyasa Yoga:** A flow that links breath to movement.

**Warrior Ride:** An indoor cycling class designed to help you unleash your inner warrior. Ride through a super sprint - series of high energy, high intensity intervals on the bike, each track of music specifically designed to challenge you in different ways.

**Yin Yoga:** Includes long, slow, passive holds for 3-10 minutes each pose. Long holds focus on the release of fascia and connective tissues around our joints, ligaments and muscles. A challenging and invigorating practice for your mind and body.

**Zumba®:** We take the work out of workout, by mixing low-intensity and high-intensity moves for an interval-style, calorie-burning dance fitness part. Exercise in disguise.

**Zumba® Sentao:** Perfect for people who want to get some serious core work done. Zumba Sentao combines strength and resistance training with innovative dance moves, using a chair as your dance partner.

**Zumba® Toning:** Perfect for those who want to party, but put extra emphasis on toning and sculpting to define those muscles!
